Denmark

Relevant Technical Documentation

Daniamant Technical File TF001, Revision 02

The above being a comprehensive listing of documentation relevant to type examination including:- Test reports, Installation and Maintenance instructions, details of Approved Hardware defining Overall Build Level, Circuit diagrams, technical drawings and Parts listings (BoM).

NOTES:-

- 1 This approval does not include attachment to the lifejacket; it is the responsibility of the lifejacket manufacturer to ensure that the light is attached securely and in the correct position.

- 2 Replacement of the batteries is not allowed and their removal should not be possible without destroying the container. The light unit must be replaced on or before the expiry date marked on its label.
- 3 Detailed fitting, maintenance and in service test instructions are to be provided to each purchaser of the L6A.
- 4 Each light is to be marked with the information required by the LSA Code Regulation 1.2.2.9 and 1.2.3.
- 5 The product conforms to performance standards not inferior to those adopted by the International Maritime Organisation (IMO) within LSA Code IMO Resolution MSC.48(66) and its latest applicable amendments.

Conditions of Validity

This issue of the Annex to the referenced Marine Equipment Module B Certificate relates to Issue 2 of the Certificate.

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved equipment, which have not been notified to, and agreed with TÜV SÜD BABT or a person appointed by TÜV SÜD BABT to perform that role.

Should the specified regulations or standards be amended during the validity of this certificate, the product(s) is/are to be reapproved prior to it/them being placed on board vessels to which the amended regulations or standards apply.

The Mark of Conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase module (D, E, or F) of ANNEX B of the Directive is fully complied with and controlled by a written inspection agreement with a notified body.
