Be safe at sea

The SL-300 is a standard SOLAS lifebuoy light, similar to the L160 (and smaller L170). In adding this light into our range we aim to offer our Customers more choice in our products in style, aesthetics and functionality. Great products, great pricing and now even more choice.

Features

- Battery service life: 5 years
- Self-activated by tilt-switch
- >2 Candela light intensity
- Lifetime: > 2h
- SOLAS approved
- Sealed, small and compact
- Robust
- Flash: 50-70 flash/min

The SL-300 Lifebuoy Light is a high quality, fit and forget, no maintenance product requiring no replacement batteries. This saves time and expense during inspections.

Mounting made easy

All Lifebuoy Lights are supplied with a unique mounting bracket, enabling easy fitting in all locations. The SL-300 Lifebuoy Light has a magnetic interlock to prevent operation when in its housing.

LED Technology

All Lifebuoy Lights are using the latest advances in LED technology. They feature very low current consumption and enhanced reliability. All our Lifebuoy Lights feature a flashing light.

Low Cost transportation

These new lights are exempt from transport packing, marking and labelling regulations under surface ADR and IMDG Special provision 188, IATA Packing Instruction 970 Part 1, making shipping easier, quicker and cheaper.
