Subj: ELECTRIC DISTRESS LIGHT FOR BOATS; DANIAMANT ODEO SOS FLARE

We have reviewed the materials you have submitted with your emails dated November 16 and December 8, 2023, certifying that your MODEL ODEO SOS FLARE electric distress light for boats complies with 46 CFR 161.013. The prototype test report, dated November 15, 2023, required by 46 CFR 161.013-11 has been examined and your notification, required by 46 CFR 161.013-17, has been entered into our records. We do not issue approval certificates for this equipment as it is self-certified by the manufacturer under 46 CFR 161.013. This letter acknowledges your manufacturer certification.

Please ensure that production models meet the performance standards in 46 CFR 161.013-3 and are labeled in accordance with 46 CFR 161.013-13. As required by 46 CFR 161.013-17, please notify us every five years as long as you continue to produce this piece of equipment.

Your electric distress light for boats is acceptable for the carriage requirements in 33 CFR 175.110(a) for NIGHT ONLY under 33 CFR 175.130(a)(1).

This letter and all attachments were delivered electronically to kevin.rough@daniamant.com. No hard copies will be provided. You are welcome to print as many copies as you wish. If you have any follow-up to this approval, please contact typeapproval@uscg.mil. Please reference ID#: 2023-3553 in any correspondence related to this project.

Sincerely,

F. A. STROM
